## The Glasgow Wind Band

### GWB Christmas 2010 Newsletter

Hello, and welcome to the Christmas edition of our Newsletter! We hope you've had a good year, and are looking forward to a fun Festive period.

We started nice and early when the intrepid members of our french horn section ventured out into sub-zero temperatures at the beginning of December to play at the switching-on of the Christmas lights in Howwood, Renfrewshire. We have played a number of concerts previously in the village, and were delighted to be able to play a part in their Christmas celebrations... although I think it was a little on the chilly side to be playing a brass instrument outdoors!! Well done guys!

Our brass quintet also represented us at a charity concert in Jordanhill Parish Church on the 20th November. Described as an *International Music Concert*, the concert raised funds for the *Easterhouse Development Initiative*, and featured a flautist from the *Vienna State Opera*.

We'd like to wish you a very Merry Christmas and hope to see you at our Concert later this week!
